Hello [REDACTED]

May I ask one final question, should we expect any difficulty moving from the airport to your facility due to the flooding?

Thank you,
Ksenija

Hi Chris,

I will make sure we cover those topics.

I will expect you at 9am on Friday and really look forward to your visit.

Thanks

[REDACTED] [SPAM] RE: Tour of [REDACTED] tire crumb facility in [REDACTED]

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Hi [REDACTED]

Beyond seeing the plant, some of the topics that we are curious include:

- History of [REDACTED] and company overview
- Screening or inspecting of tires before they are sent to be processed to crumb rubber
- Differences in tires types and processing methods
- Looking in-depth at the ambient process and see the types of system(s) your facility uses for shredding (granulator, cracker, abrasive disk, etc.)

- Quality assurance / quality control measures
- How the material is stored and prepared for shipping to customers, including customer coverage

As for those who will be attending the tour on Friday we have:

- Chris Carusiello, Environmental Engineer – Industrial Materials Reuse Branch, EPA
- Ksenija Janjic, Environmental Protection Specialist – Industrial Materials Reuse Branch, EPA
- Nicole Villamizar, Environmental Protection Specialist —Industrial Materials Reuse Branch, EPA
- Charlotte Mooney, Associate Division Director—Resource Conservation and Sustainability Division, EPA
- Annette Guiseppi-Elie, Supervisory Physical Scientist – National Exposure Research Laboratory, EPA
- Elizabeth Irvin-Barnwell, Epidemiologist, CDC-ATSDR
- Angela Ragin, Branch Chief—Environmental Epidemiology Branch, CDC-ATSDR

We also wanted to make sure that the recent flooding in [REDACTED] hasn't affected your family or where you're living! We just heard on the news about all the flooding in the [REDACTED] area.

Best,
Chris

Hi Chris,

No other requirements – I will provide safety glasses and earplugs.

Please let me know in advance if there are specific subjects you want to cover when you are here.

Thanks

 [REDACTED] RE: Tour of [REDACTED] tire crumb facility in [REDACTED]

Hi [REDACTED]

Looking forward to the visit this week. Are there any requirements for attire during the tour besides closed toe shoes?

Best,
Chris

Hi Chris,

If you have no other plans in [REDACTED] I would recommend to stay at the Marriott right at the airport.

Look forward to your visit.

Best regards

[REDACTED]

[REDACTED] RE: Tour of [REDACTED] tire crumb facility in [REDACTED]

Hi [REDACTED]

We are really looking forward to being able to see the facility in a few weeks. We are making plans for our stay, and I was wondering if you could recommend any hotels for accommodation that are either close to [REDACTED] Airport, or somewhere in between. If nothing sticks out we could always just google something around the area.

Thanks again,
Chris Carusiello
